ADVANCE NOTICE OF ROAD CLOSURES: SUNDAY, 5 JULY, 2026

Following the success of previous years, the EVESHAM TOWN 10km race is back on the morning of Sunday, 5th July. The race, organized by Evesham Vale Running Club, will see 400/500 runners taking on a lovely course around the town and riverside, whilst raising much needed funds for local charities Evesham First Responders, Riding for the Disabled and Street Pastors.

For the safe running of the event various road closures will be in place that may impact you. We will ensure the closures are kept to a shortest time possible. Whilst not guaranteed, we expect the closures will start from 08:00 a.m. with all roads reopened by 10:30 a.m. at the latest.

Roads on which access will be restricted by a "rolling Road Closure with local control" are **Boat Lane** (runners coming through approx. 09:40 to 10:20), **Bewdley Street, Bewdley Lane, Albert Road & Rudge Road** (runners coming through approx. 09:40 to 10:40). There will also be partial closures of Vine Street, Abbey Road & Abbey Bridge, Waterside and Workman Bridge which will be managed by cones and signage.

Specific access problems occur at the vehicle entrance to the Monks Walk estate. Runners will be running in front of this under control of marshals for a short, but intense period, between 09.38 and 09.50. Access will be restricted during that brief time.

Local residents and businesses have always given the race excellent support and we're sure this year will be no exception. Thank you in advance, and our apologies for any inconvenience.

Any queries please email Evesham10k@mail.com.

For information about the event see Evesham Town 10K | Facebook, or to enter the race go to https://www.entrycentral.com/event/104797.

Mark Dowell,
Run Director, Evesham Town 10k, 2026
